

ArmaFlex® SelfSeal

Class O Armaflex SS is thermal insulation tube range, fully factory slit with two strips of double sided self adhesive tape pre-applied to each open slit surface. Specially developed to provide insulation where face, secure installation is required and ideal for applications where working space is severely restricted, Armaflex SS is easily applied by applied by fitting the insulation and peeling back the self adhesive tape.

Problem in Installing Conventional Tubes

- Manual Slitting (Zig Zag cut)
- Working with adhesive in given site condition
- More manpower required
- More time required
- Tube sticking to the pipe
- Visible adhesive blotches

Solutions with Class O Armaflex Self Seal Tubes

- Easy to remove self adhesive tape
- Easy installation
- Professional finish

Your Benefits

- Ease of application reduces cost and time of installation by up to 70%
- Fast and secure gluing of seams over entire length of the installation
- Professional finish and aesthetic appearance of the entire installation
- Lower skill sets required from installers
- Better Quality of Installation
